BEFORE THE CONTRACTORS BOARD

STATE OF IDAHO

In the Matter of the Registration of: DAKOTA STEWART, Individually and dba BLESSED REMODELING, Registration No. 8061070 Respondent.	Case No. 1936785 **STIPULATION AND CONSENT ORDER**

WHEREAS, the Idaho Contractors Board ("*Board*") has received information that constitutes sufficient grounds for the initiation of an administrative action against DAKOTA STEWART, individually and dba BLESSED REMODELING ("*Respondent*"); and,

WHEREAS, the parties mutually agree to settle this matter in an expeditious manner in lieu of formal administrative proceedings before the Board; now, therefore,

The undersigned parties stipulate and agree to settle and resolve this matter upon the following terms of this Stipulation and Consent Order ("*Stipulation*"):

I. STIPULATED FACTS AND LAW

1. The Board regulates the practice of contracting in the State of Idaho pursuant to Title 54, Chapter 52, Idaho Code.

2. The Board issued Contractor Registration No. 8061070 to Blessed Remodeling, owned and operated by Dakota Stewart.

3. Respondent's license is subject to the provisions of Title 54, Chapter 52 of the Idaho Code, and the Board's rules as promulgated at IDAPA 24.21.01, *et seq*.

BACKGROUND

4. In June 2025, Complainant S.M. ("*Complainant*") contacted Respondent, Dakota Stewart, dba Blessed Remodeling (Registration No. 8061070), regarding a remodel of her residence in Nampa, Idaho.

5. On or about June 9, 2025, Respondent provided Complainant with a bid estimate for the addition of one hundred eighty (180) square feet to Complainant's residence, along with interior painting, for a total of $35,000.00.

6. On or about June 13, 2025, Complainant paid Respondent $17,500.00, the required deposit to begin work.

7. On or about June 24, 2025, Respondent advised Complainant that the interior painting would begin within the next week and would take three days to complete.

8. On July 4, 2025, Respondent sent an employee to begin the interior painting.

9. While this employee who was Respondent's family member, was in Complainant's home the Complainant discovered him consuming alcohol and smoking marijuana.

10. Due to the unprofessional and illegal conduct by Respondent's employee, Complainant insisted Respondent send a different employee to finish the interior painting.

11. On August 14, 2025, Respondent had not sent another employee to finish the interior painting nor had otherwise finished the interior painting. This led Complainant to assume Respondent had abandoned the project.

12. Complainant contacted Respondent and stated she intended to hire a separate painting contractor to finish the interior painting due to Respondent abandoning the project. Respondent became irate and threatened to sue Complainant for breach of contract. Respondent later apologized and offered to send a painting subcontractor to finish the interior painting. Thereafter, Respondent hired painting subcontractor C.C. to paint the interior of Complainant's home.

13. On September 16, 2025, Respondent received the approved permits from the City of Nampa for the addition. However, the City of Nampa required new footings and a stem wall to be poured in place of the existing 10" cement slab. Respondent advised Complainant this would cost an additional approximately $12,000.00 for required labor and materials.

14. On October 6, 2025, and October 7, 2025, Respondent's concrete subcontractor, P.C., came to Complainant's residence and prepped and poured the cement for the stem wall.

15. On October 8, 2025, Complainant met Respondent's business partner at Complainant's financial institution and gave Respondent's business partner a $22,500.00 cashier's check. Respondent's business partner deposited this money in Respondent's account.

16. On October 10, 2025, Complainant received a call from P.C. threatening to place a lien on Complainant's home due to P.C. not being paid by Respondent for the concrete work completed by P.C.

17. C.C. was also not paid by Respondent for the interior painting work completed by C.C. Respondent told C.C. to place a lien on Complainant's home to collect payment.

18. From October 8, 2025, to October 18, 2025, no work was completed by Respondent on Complainant's residence. Complainant asked Respondent for updates numerous times. Complainant would often hear no response or would be told by Respondent that Complainant was interfering with the project.

19. Due to a lack of progress on Complainant's residence, along with other violations, on November 21, 2025, Complainant issued a formal breach of contract notice to Respondent asking Respondent to resolve the issues within seven days.

20. Respondent responded to this notice with a stop work order, a demand for payment, and numerous threats to Complainant.

21. On November 25, 2025, Respondent sent a notice to Complainant that he was filing a mechanic's lien on Complainant's property for $32,650.00.

22. On November 28, 2025, Respondent sent an additional notice to Complainant with a demand for payment and threats to file a lawsuit if not paid.

23. Respondent cancelled the permits for the addition to Complainant's residence with the City of Nampa.

24. Respondent contacted the architectural company Complainant had hired, told them not to give Complainant access to the drawings, and threatened to sue if they released the drawings to Complainant.

25. Due to Respondent's conduct, Complainant suffered financial loss and was forced to engage other contractors to finish the project.

COUNT I
Dishonest and Dishonorable Dealings – Idaho Code § 54-5215(2)(g)

26. The facts set forth above are hereby incorporated by reference as though fully set forth herein in Count I.

27. Respondent engaged in dishonest or dishonorable dealings in violation of Idaho Code § 54-5215(2)(g), to wit:

28. Respondent hired C.C., a subcontractor, to finish the interior painting at Complainant's residence. Respondent failed to pay C.C. for work performed on Complainant's residence.

29. Respondent hired P.C., a subcontractor, to perform the required concrete work at Complainant's residence. Respondent failed to pay P.C. for work performed on Complainant's residence.

30. Due to a lack of progress on Complainant's residence, along with other violations, on November 21, 2025, Complainant issued a formal breach of contract notice to Respondent asking Respondent to resolve the issues within seven days. Respondent responded to this notice with a stop work order, a demand for payment, and numerous threats to Complainant.

31. Respondent failed to complete the project as agreed.

32. On November 25, 2025, Respondent sent a notice to Complainant that he was filing a mechanic's lien on Complainant's property.

33. On November 28, 2025, Respondent sent an additional notice to Complainant with a demand for payment and threats to file a lawsuit if not paid.

34. Respondent cancelled the permits for the addition to Complainant's residence with the City of Nampa.

35. Respondent contacted the architectural company Complainant hired, told them not to give Complainant access to the drawings and threatened to sue if they released the drawings to Complainant.

36. Respondent's conduct – failing to act in accordance with his contractual obligations and/or failing to pay subcontractors for work performed, and forcing subcontractors to file mechanic's liens to ensure they would get paid, and/or making threats to Complainant, and/or cancelling the permits and contacting the architectural company making threats if they release the plans to Complainant that Complainant paid for – constitutes dishonest and dishonorable dealings

under Idaho law and provides grounds for disciplinary action pursuant to Idaho Code § 54-5215(2)(g).
